Hilltown Church, The Square, Regeneration Survey

Clonduff Development Enterprise Ltd, a local non-profit organisation, has received great interest in its current survey on potential future uses of a restored church building in the Square including a cafe, work hub, and community space for wellbeing, cultural and heritage activities.

So far the responses received reflect a 2:1 female to male ratio and mostly aged between 30-45 yr; we need data to reflect all our community's voices including MALE, YOUNG (all genders) and SENIOR (all genders) opinions.

Please share with your family, friends, various team, club and group members, and offer to help those who may not be online to submit a response online by the end of Sunday July 3rd.

Thank you. Survey link:

Family Mass/Children's Liturgy

One of the key issues that came up in the recent Diocesan survey was a request to do more to include families and children in the Liturgy. Clonduff Parish would like to establish a core working group to develop this idea. The goal is to have a Family Mass with the children's liturgy at its core every other month from November to Easter.

Anyone interested in joining this group and helping to make this goal a reality please contact the Parish Office on 028 3050270
